Guy Hoquet, well-known French Real Estate franchise Company with branches throughout all the Europe, entrusted Soleidad Agency with the organization of its annual award convention held in Milan on 21st and 22nd of May, with more than a thousand participants attending.

Studio Esse, in partnership with the French agency, has actively contributed to the realization of the event by organizing the entire logistics, starting from hotel accommodations, transfers, guided tours, catering services, support staff, municipal police escort service and more than 21 coaches.

The convention was held at the **East End Studios**, while for the Gala dinners were chosen a prestigious venues such as the **Naval Pavilion of the Museum of**

The Gala evening, held at the **Museum of Science** and dedicated exclusively to the managers of the company, was preceded by an exclusive tour on the **historic trams** and by a **choreographic performance** of “**La Chiarella**” flag vawers.

As a **Grand Finale**, our guests, escorted by 16 agents of the Milan Local Police Corps, completed the convention with a Gala Dinner in the well-known dicotheque **Alcatraz**. Upon arrival, over 1100 guests were presented a stunning venue, where under a striking **Guy Hoquet blu colour**, the decor had been created and finished to the finest detail.

Live music performed by **U.K. band Killer Queen** who delivered a dazzling re-creation of a Queen concert led by a singer **Patrick Myers**.

The **Northern Lights**, a powerful vocal trio composed of voices, saxophone and electric violin, made this glamorous party unforgettable.

Everybody danced the night away while having a truly amazing time!
